## **ASIS NYC Establishes the Keith Oringer Leadership Award to Honor Emerging Leaders**

**June 19, 2025 - Bedminster, NJ** - The New York City Chapter of ASIS International is proud to announce the creation of the **Keith Oringer Leadership Award**, an annual scholarship designed to honor the legacy of the late Keith Oringer by recognizing exceptional leadership among the sons and daughters of ASIS NYC members.

**The Keith Oringer Leadership Award** will provide a \$3,000 scholarship each year to a college student who embodies the core values that defined Keith's life and career: empathy, integrity, compassion and leadership. Recipients will be individuals who have made a meaningful impact in their communities through thoughtful action and a genuine desire to serve others, demonstrating the same spirit of principled leadership for which Keith was so widely admired.

The award will be administered by the ASIS NYC Scholarship Committee and will be open exclusively to children of current ASIS NYC members.

Nicole Oringer, wife of Keith Oringer, shared, "Keith believed deeply in empowering the next generation of leaders through mentorship and example. This award is a meaningful way to carry forward his legacy and inspire young people to lead with both heart and conviction."
