St. Moritz Security Services, Inc. Expands Presence in Chicago with Acquisition of Securatex, Ltd. via Asset Purchase Agreement

St. Moritz Security Services, Inc. (SMSSI), a nationally recognized provider of comprehensive security solutions, is pleased to announce the completion of an asset purchase agreement transaction with Securatex, Ltd., a security services provider headquartered in Chicago, Illinois. This strategic move strengthens St. Moritz Security Services' footprint in the Midwest, enhances its ability to serve clients across diverse industries, and adds experienced personnel to its growing team.

Founded in 1982, Securatex earned a reputation for integrity, reliability, and client-focused service throughout the greater Chicago area and surrounding region. With the transition of these service contracts, St. Moritz will carry forward that legacy while offering clients expanded resources, national support, and service continuity.

Securatex clients will now have access to the full breadth of St. Moritz Security Services' capabilities, including cutting-edge security technology, specialized training programs, and a wide range of tailored security solutions for commercial, residential, retail, education, healthcare, and industrial sectors. "We are excited to welcome these new client relationships to the St. Moritz family," said Matthew Schwartz, CEO of St. Moritz Security Services, Inc. "This acquisition aligns perfectly with our mission to deliver customized security solutions nationwide. With Securatex's strong presence in the Chicago market, we are well-positioned to expand our capabilities and deepen our client partnerships in the region."

Securatex executive Amauris Ortiz will play a key role in the go-forward operations and continue to be a trusted resource for customers along with other key Securatex staff members. Their experience, relationships, and knowledge of local operations will ensure the high standards of service clients have come to expect remain uninterrupted.

St. Moritz Security Services, Inc. (www.smssi.com) is a privately held contract security services company based in Pittsburgh, Pennsylvania. Founded in 1982 by Phil St. Moritz, the organization provides contract guarding and virtual monitoring services to a variety of end-users including Class A/Commercial Buildings, Residential Communities, Retail Stores, Medical and Educational Buildings, Industrial and Distribution Facilities, and ATM Providers, among others.
